Jennifer Porter | Personal Injury Attorney

This past year has been a fantastic whirlwind of activity at the firm with the addition of new people (Stephanie, Maria, and Emily all joined us this year), the addition of our estate planning practice, and working hard to achieve more than \$1,500,000 in insurance money to resolve claims for nearly 40 personal injury clients. I am so grateful for the clients who have trusted us to protect them and their families through our personal injury and estate planning services. We are looking forward to an even better 2025 as we continue to expand by welcoming a new personal injury attorney in January!

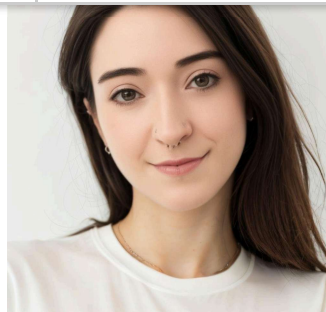

Stephanie Himel-Nelson | Estate Planning Attorney

In 2024, I am deeply thankful for the opportunity to connect with my clients, helping them achieve peace of mind through personalized estate planning. I am equally grateful for the attorneys and financial advisors who have generously shared their knowledge and guidance, enriching my practice and allowing me to better serve my clients.

Emily Villatoro | Paralegal

There are a million more things I have been truly thankful for this year, such as our team, the workplace environment we have created, the exemplification of our firm values, etc!

Maria G | Marketing
